in crossing bar lines the politics and practices of black musical space james gordon williams reframes the nature and purpose of jazz improvisation to illuminate the cultural work being done by five creative musicians between 2005 and 2019 the political thought of five african american improvisers trumpeters terence blanchard and ambrose akinmusire drummers billy higgins and terri lyne carrington and pianist andrew hill is documented through insightful multilayered case studies that make explicit how these musicians articulate their positionality in broader society informed by black feminist thought these case studies unite around the theory of black musical space that comes from the lived experiences of african americans as they improvise through daily life the central argument builds upon the idea of space making and the geographic imagination in black geographies theory williams considers how these musicians interface with contemporary social movements like black lives matter build alternative institutional models that challenge gender imbalance in improvisation culture and practice improvisation as joyful affirmation of black value and mobility both terence blanchard and ambrose akinmusire innovate musical strategies to address systemic violence billy higgins s performance is discussed through the framework of breath to understand his politics of inclusive space terri lyne carrington confronts patriarchy in jazz culture through her social science music project the work of andrew hill is examined through the context of his street theory revealing his political stance on performance and pedagogy all readers will be elevated by this innovative and timely book that speaks to issues that continue to shape the lives of african americans today

surgical services carry some of the highest risks and rewards of all healthcare specialties they also present specific challenges those unfamiliar with the surgical suite's inner workings may struggle to lead and manage this complex and often isolated department the healthcare executive's guide to navigating the surgical suite a roadmap to the or and perioperative services provides experienced and novice healthcare leaders with the information leadership structures and practical strategies needed to successfully oversee both patient outcomes and balance sheets this book covers contemporary market realities business challenges labor requirements and clinical and operational complexities as it points leaders toward the most pressing issues in strategic surgical services leadership

painters robert duncanson ca 1821 1872 and edward bannister 1828 1901 and sculptor mary edmonia lewis ca 1844 1907 each became accomplished african american artists but as emerging art makers of color during the antebellum period they experienced numerous incidents of racism that severely hampered their pursuits of a profession that many in the mainstream considered the highest form of social cultivation despite barriers imposed upon them due to their racial inheritance these artists shared a common cause in demanding acceptance alongside their white contemporaries as capable painters and sculptors on local regional and international levels author naurice frank woods jr provides an in depth examination of the strategies deployed by duncanson bannister and lewis that enabled them not only to overcome prevailing race and gender inequality but also to achieve a measure of success that eventually placed them in the top rank of nineteenth century american art unfortunately the racism that hampered these three artists throughout their careers ultimately denied them their rightful place as significant contributors to the development of american art dominant art historians and art critics excluded them in their accounts of the period in this volume woods restores their artistic legacies and redeems their memories introducing these significant artists to rightful new audiences
