hydrology advances in theory and practice brings together contributions to both the theory and practice of hydrology including chapters on amongst other topics flood estimation methods and hydrological modelling the book also looks forward with a global hydrology research agenda fit for the 2030s and explores how to make advances in hydrological modelling based on almost 50 years of modelling experience in focus a book series that showcases the latest accomplishments in water research each book focuses on a specialist area with papers from top experts in the field it aims to be a vehicle for in depth understanding and inspire further conversations in the sector

an eye opening account of how the hidden rise of personalization on the internet is controlling and limiting the information we consume in december 2009 google began customizing its search results for each user instead of giving you the most broadly popular result google now tries to predict what you are most likely to click on according to moveon org board president eli pariser google s change in policy is symptomatic of the most significant shift to take place on the in recent years the rise of personalization in this groundbreaking investigation of the new hidden pariser uncovers how this growing trend threatens to control how we consume and share information as a society and reveals what we can do about it though the phenomenon has gone largely undetected until now personalized filters are sweeping the creating individual universes of information for each of us facebook the primary news source for an increasing number of

americans prioritizes the links it believes will appeal to you so that if you are a liberal you can expect to see only progressive links even an old media bastion like the washington post devotes the top of its home page to a news feed with the links your facebook friends are sharing behind the scenes a burgeoning industry of data companies is tracking your personal information to sell to advertisers from your political leanings to the color you painted your living room to the hiking boots you just browsed on zappos in a personalized world we will increasingly be typed and fed only news that is pleasant familiar and confirms our beliefs and because these filters are invisible we won t know what is being hidden from us our past interests will determine what we are exposed to in the future leaving less room for the unexpected encounters that spark creativity innovation and the democratic exchange of ideas while we all worry that the internet is eroding privacy or shrinking our attention spans pariser uncovers a more pernicious and far reaching trend on the internet and shows how we can and must change course with vivid detail and remarkable scope the filter bubble reveals how personalization undermines the internet s original purpose as an open platform for the spread of ideas and could leave us all in an isolated echoing world

a collection of children s books on the subject of snow

finally available a high quality book of the original classic edition of winter it was previously published by other bona fide publishers and is now after many years back in print this is a new and freshly published edition of this culturally important work by dallas lore sharp which is now at last again available to you get the pdf and epub now as well included in your purchase you have winter in epub and pdf format to read on any tablet ereader desktop laptop or smartphone simultaneous get it now enjoy this classic work today these selected paragraphs distill the contents and give you a quick look inside winter look inside the book almost a week s supply of grain

enough to carry them through to the border had been loaded into the wagon before starting in upon this wild deserted road through the black creek region but the heavy day long snowstorm had prevented their moving at all for one day and had made travel so nearly impossible since then that here they were facing a blizzard with night upon them five hundred starving turkeys straggling wearily before them and a two days drive yet to go i shall have many a cheering glimpse of white foot many a comforting thought of him out there his thatch snow covered his thick walled nest in the slender hickory riding the winter seas that sweep the hilltop as safe as the ships anchored yonder in the landlocked harbor and he will be much more comforting to me out there than here in the house with me for strangely enough while white foot never seems to join the common mice in the barn never a winter goes by without one or more of his kind coming into the house for the cold weather about dallas lore sharp the author he graduated at brown university in 1895 served as a methodist episcopal minister for four years and graduated at the boston university school of theology in 1899 categories brown university alumniboston university facultyamerican nature writers1870 births1929 deathspeople from cumberland county new jerseyamerican episcopaliansamerican religious biography stubsamerican non fiction writer stubs
