a personal journey of enormous merit one of the world's great mystics blended with sound intelligence and clear self discovery excellent balance between inner and outer experiences grounding the reader in the mundane as well as the spiritual heights i almost never offer superlatives my standards are too high this work is real and really good louise mallory elliott phd former clinical psychologist now melchizedek minister and teacher of spiritual consciousness i am liberty is a story of one woman's quest to be in the world but not of it with a mighty assistant and a storehouse of revelatory glimpses of true reality libby begins to imagine how her life would be lived as an ascended being when the imagining starts to become her daily reality the true work of spirit begins and she is inexorably drawn into the evolution of mind promised by god often breathtaking frequently profound i am liberty is a courageous and captivating story of realizing and returning to god

june 8 god help me god help me to stand it today was our second anniversary if i have to go on living with her i ll go crazy but if i leave her i m afraid to think what will happen sometimes she's not rational but what can i do where can i turn that damn party was awful anniversaries are supposed to be happy affairs but this one was more like a wake everybody got drunk and sang songs but there was always that corpse there in the middle of the room the corpse of that romance jack got terribly drunk as usual there's another one if he doesn't crack up it won't be because he hasn't tried what's wrong with us all anyway what's the use of living when things are like this all the time laura shut her diary with a sudden furtive gesture her pen still poised and strained her ears at a sound she thought she heard the front door open it would be beebo coming back but it was only the dachshund nix scratching himself on a stool in the kitchen laura sighed in relief and turned back to the diary she ordinarily kept it locked in a little steel strongbox on the closet floor and she wrote in it only when she was alone in the

evenings before beebo got home from work beebo had never read it or seen it in fact it was laura s own laura s aches and pains verbalized laura s heart dissected and wept over in washable blue ink if beebo ever saw it she would tear it up in a frenzy she would make laura swallow it because it did not say very nice things about beebo and beebo always did things in a big way the good along with the bad laura opened the notebook once more and wrote a last brief entry jack asked me to marry him again but i could never marry a man not even him never then she closed it quickly and took it back to the closet and locked it in the strongbox she sat down from sheer inertia on the closet floor and picked up a shoe it was one of her pumps rather long and narrow too large to be really fashionable but it had the proper shape and the newest styled heel beebo liked to see her smartly dressed she cared more about that than laura did herself laura had worn these shoes to the unfortunate anniversary party two nights before beebo was still hung over from that long night of dreary festivity jack was always hung over so he didn t count as for laura she had learned from beebo to drink too much herself and she was learning at the same time how it feels the next day bad plain bad it had been a strange night with moments of wild hilarity and stretches of gloom when everybody drank as if they made their living at it laura remembered jack arriving ahead of everybody else with a couple of bottles under his arm thought i d better bring my own he explained jack you re not going to drink two fifths all by yourself laura had exclaimed she always took things at face value at first a little too seriously i m going to try mother he said laughing his eyes behind horn rimmed glasses sparkling cynically at her beebo had been in a sweat of preparation all day and the apartment ended up looking almost new a fever seemed to have gotten hold of her this had to be a big party a good party a loud drunk and very gay party because this party was going to prove that beebo and laura had lived together for two whole years and in greenwich village that is a pretty good record friends were invited to admire and congratulate oh to get drunk and

live it up a little too on beebo and laura but mostly to stand witness to the fact that the girls had been together two whole years or rather beebo had hung on to laura for two whole years maybe that s a hard way to say it maybe it isn t fair after all laura stuck with beebo too but laura stuck because she didn t have the courage to let go because her life was empty and without a purpose and living with somebody and loving or pretending to love seemed to bring some sanity into her world but for a long time she had begun to squirm and struggle under beebo s jealous scrutiny laura let beebo make most of the arrangements for the party she felt almost no enthusiasm for it the whole thing had been beebo s idea in the first place laura felt almost as outside of it as a late arriving guest she ran a few errands but it was beebo who planned and organized who put up streamers and cleaned the apartment who called everybody picked up the liquor and the ice cubes and even made hors d oeuvres she treated laura with unwonted gentleness and attention all day she wanted her in a good mood for the party they had quarreled so much and so bitterly lately that they were both a little sick over it beebo wanted to have a good day behind them a day full of good will and even tenderness there wasn t much time to foster tenderness though with the vacuum going the kitchen upside down with food in various stages of readiness the dog barking and the phone ringing in an endless hysterical serenade but still beebo tried she touched laura s hair softly when she passed her or brushed her hands over laura s face and once she stopped to kiss her so carefully that laura was touched in spite of herself and submitted though without returning the kiss beebo went away flushed with success laura had not suffered herself to be kissed for nearly a week so when the guests finally started arriving beebo greeted them with high color in her cheeks and almost too much heartiness everything had started out so well it had to end well it was a weird group that assembled to fete the anniversary beebo had wanted a big party jesus honey she complained how many people down here stick it out this long we have something to be proud

of for god s sake let s advertise it what have we got to be proud of laura said sarcastically we re just a couple of suckers for punishment we just happen to enjoy beating each other s heads in beebo had risen to the occasion with her quick and awful temper and left laura crying and she had had her way they invited just about everybody in the neighborhood the ones they knew the ones they knew by sight only and the ones they didn t know at all male and female beebo did all the calling so it came as a shock to laura to see two of beebo s old flames among the guests but she said nothing about it there would be time to shout about it afterwards and shout they no doubt would jack came early because he liked the chance to talk to laura by himself now and then he liked to be with her lately since his own life had taken a sickening dip into loneliness and frustration they were old friends sometimes they thought of one another as each other s only friend they were very close it could never be a question of physical love between them only deep affection a mutual problem a sort of harmony that sprang from sympathy and long acquaintance they were both homosexual and if laura could never understand why a man would desire another man she at least knew very well how it was to love another woman and so she could build a bridge of empathy on that knowledge and comfort jack when some lovely boy was giving him hell and he could do the same when beebo raked her over the coals the party went along well enough for the first hour or so every time beebo came near laura she pinched her or bussed her it was a part of her advertising campaign a way to say she s still mine and it s been two years hands off the rest of you and she would look around at the guests a little defiantly but for laura it was tedious it scared her and bored her all at once the fierce passion for beebo that had boiled when they first knew each other flared up rarely now and when there was no love there was nothing but fighting between them she hated to be put on exhibit like this and yet she kept her peace and let beebo kiss her when she felt like it after all it was a party have a good time if you can forget if you can everybody drink up

and laugh laugh damn you all if you can it was when lili she would spell it that way she was born plain louise was well plastered that the party took a downward curve from which it never recovered lili was a former amour of beebo s lili of the ash blonde hair and carefully blackened lashes lili of the lush silk draped body lili with the lack of inhibitions laura hated her with a good healthy female jealousy it had been intolerable at first when she was still in love with beebo and lili had tried to manage their lives for them now it was just an exasperation to laura to have her around lili got high in a hurry she believed in getting things done efficiently and getting drunk was one of the things she began to saunter from group to group around the small apartment flirting feeding sips from her martini to interested parties telling tales she came upon beebo in the kitchen getting more sandwiches from the refrigerator the kitchen was crowded with people waving empty glasses and looking for refills jack was pouring them as fast as he could and sampling them all important to get it just right he said takes a good concentration of alcohol or you don t get fried till three in the morning terrible waste of time lili wriggled through the crowd to beebo and stood in front of her weaving slightly her underlip thrust out i want something from you she pouted beebo offered her a sandwich but she shook her head murmuring no no no no no jack s handling the concession beebo said a little nervously jerking her head toward him i don t want liquor lili said i want you how come you never come to see me anymore beebo you re enough to drive a girl frantic it was typical cocktail party drivel and beebo was impatient with her you know why lili she said now scram but lili was pugnacious if it s because of that bitchy little laura out there everybody knows you re all washed up it s been obvious for weeks you do nothing but fight in fact i was saying to irene just five minutes ago that i can t imagine why you wanted to give this party in the first place and she stopped beebo s face had gone pale and dangerous
